MSC CRIMINOLOGY PROFILE

CLASS OF 2021/22

INTRODUCTION

Oxford Criminology is dedicated to delivering an innovative programme of criminological teaching and research. Staff members are also committed to public engagement. I am delighted to welcome our new class of MSc students to join our community. They come from around the world and a variety of professional and disciplinary backgrounds; united by their passion for criminal justice and their academic achievements.

Mary Bosworth

Director, Centre for Criminology

ABOUT THE PROGRAMME

I would like to extend a warm welcome to our MSc Criminology and Criminal Justice students for 2021-22. Our programme has an outstanding international reputation and equips students with an advanced understanding of crime and criminal justice. Our students take courses in criminological theory and the study of criminal justice, receive training in research design and methodology, and have the opportunity to take optional courses in a wide range of subject areas, including policing, sentencing, prisons, theorizing punishment, crime and the family, victims, youth justice, risk and security, and migration and citizenship. We welcome our new students to this stimulating and demanding programme, and to our vibrant and collegial research community – and look forward to the year ahead.
